2014-2015 School Requirements

Health Care Providers

Beginning with the 2014-15 school year, all K-12 students will be required to show proof of receiving two doses of mumps vaccine and two doses of rubella vaccine. In addition, students entering kindergarten, sixth and ninth grade are required to show proof of receiving two doses of varicella vaccine. Live vaccines should be administered simultaneously or a minimum of 28 days apart.

Remind parents/caretakers to bring their students in to receive all necessary vaccines, including those required for the 2014-15 school year.

*For more information, call your local health department or the Illinois Department of Public Health Immunization Section at 217-785-1455.
