Overview

Description and Specifications:
The Illinois Department of Public Health hereby gives notice of intent to award a contract for EMS testing to Continental Testing Services. The evaluation of their proposal revealed that this vendor is well qualified to provide all required services. In addition, their price is very fair and reasonable.

As specified in the RFP, the vendor will administer all EMS licensure certification exams for EMT-Basic, EMT-Intermediate (future Advanced EMT), Paramedic, and Trauma Nurse Specialist. The Department of Public Health issues licenses for these positions. If the tests were not provided and administered, there could be a shortage of licensed professionals with lifesaving knowledge and skill to act as first responders.

The start date listed below is an estimate, the contract will start upon execution.
