Section 830.180 License and Registration Renewals

a) Renewal applications will be mailed to all licensees and registrants at least 30 days prior to December 1 of each calendar year.

b) The licensee or applicant shall review the renewal application. Renewal applications shall be reviewed for accuracy by the licensee or registrant. The following information shall be recorded where indicated on the back of the renewal application before the application is being submitted to the Department:

1) Any changes in business name (that do not result in a change in ownership) and mailing, ownership or location address. If there is a change in the location address, the current business license or registration
shall be attached to the renewal application and submitted with the fee for replacement of a license or registration prescribed in Section 9(a) of the Act:

2) The signature of the location manager/owner; and

3) The signature and certification number (i.e., 052-) of a technician (certified in accordance with Section 5 of the Act and this Part) employed at the business location processing a certificate expiring beyond the license or registration renewal period. A technician possessing a certificate expiring at the same time as the business license or registration may sign the renewal, provided that providing the technician certificate is renewed prior to, or at the same time as, the business license or registration.

c) If a renewal application is filed in a timely and sufficient manner, the Department will process the application, and the current license or registration shall continue in effect until the Department issues either a new license or registration or a Final Order denying the application. Renewal applications shall be filed with the Department prior to December 1 of each year.

d) For the purposes of this Section, a timely and sufficient manner means that: A license/registration shall be issued providing:

1) The renewal application is postmarked no later than December 1 of the year of license or registration expiration; the business employs at least one Illinois certified technician at the business location (registrants are required to employ at least one Illinois certified technician at any location where restricted pesticides are utilized); and

2) The Department receives the completed renewal application (in accordance with Section 830.180(b) of this Part) and appropriate renewal (and any replacement of license or registration) fee as set forth in Section 9(a) of the Act is received by the Department; and

3) A valid certificate of insurance is on file with the Department (or attached to the renewal) that which provides the minimum liability insurance requirements as detailed in Section 9(b) of the Act and Sections 830.250 and 830.260 of this Part (not applicable for registrants). The certificate of insurance form is available on the Structural Pest Control
DEPARTMENT OF PUBLIC HEALTH

NOTICE OF ADOPTED AMENDMENTS

web page at: http://www.idph.state.il.us/envhealth/structuralpest.htm; and

4) there has been no change in the ownership of the business; and

5) the Department has no other grounds for denying the application pursuant to Section 13 of the Act or this Part.

e) A renewal application that does not comply with subsections (d)(2) and (d)(3) of this Section shall be considered insufficient and shall be returned to the applicant, and the current license or registration shall lapse on the December 31 expiration date. Renewal applications filed with the Department postmarked after December 31 of each year, or renewal applications filed with the Department but not renewed by the Department prior to December 31 of the year of expiration because they were submitted in violation of this Part, shall be assessed a late filing charge in accordance with Section 9 of the Act and Section 830.210 of this Part.

f) The Department will process a renewal application that is sufficient but not timely (filed with the Department postmarked after December 1 up to and including December 31), but the current license or registration shall lapse on the December 31 expiration date. The application shall be accompanied by the required late filing charge prescribed in Section 9(a) of the Act.

g) No license or registration shall be renewed after the December 31 expiration date. Renewal applications postmarked after December 31 will be subject to the requirements and fees for obtaining an original commercial or non-commercial structural pest control business license or registration as detailed in Section 830.100 or 830.110 of this Part.

h) Renewal applications shall not be used to obtain a license or registration when there has been a change in ownership. For a change in business ownership, the application for a Commercial (or Non-commercial) Structural Pest Control Business Location License (or Registration) and the Change of Business Ownership forms shall be completed and mailed to the Department in accordance with Sections 830.180 (or 830.110) and 830.190 of this Part in lieu of the renewal application. Section 830.200 Certification Renewals

a) Renewal applications will be mailed to all certified technicians in possession of a valid structural pest control technician certificate at least 30 days prior to December 1 during the year of certification expiration, provided that the following items are on file with the Department by October 1 of that year:

1) A valid, current home address; and

2) Verification of attendance at a minimum of nine classroom contact hours, in increments of three hours or more, at Department-approved pest control training seminars attendance at the required number of recertification seminars during the certification period.

b) A certified technician who does not receive a renewal application pursuant to subsection (a) of this Section may obtain one by submitting a written request to the Department after the requirements of Section 830.200(a) of this Part have been met.

c) The certified technician shall review the renewal application. Renewal applications shall be reviewed for accuracy by the certified technician. Any changes of employment, name, or home or mailing address shall be recorded where indicated on the renewal application.

d) If a renewal application is filed in a timely and sufficient manner, it will be processed by the Department, and the current certification shall continue in full force and effect until the Department issues either a certification renewal or a Final Order denying the application.

e) For the purposes of this Section, a timely and sufficient manner means that:

1) The application is postmarked no later than December 1 of the year of certification expiration;

2) The application is made using the Department's technician renewal form;

3) The child support section of the application has been completed and the application is signed and dated by the certified technician;
DEPARTMENT OF PUBLIC HEALTH

NOTICE OF ADOPTED AMENDMENTS

4) A check or money order for the renewal fee required by Section 9(a) of the Act is enclosed; and

5) Documentation of attendance at a minimum of nine classroom contact hours, in increments of three hours or more, attending at least one Department approved pest control training seminar during the three years prior to the renewal application is either on file with the Department or enclosed with the renewal application; and

6) A current 2-inch by 2-inch head and shoulders color photograph of the applicant printed on photographic paper is attached to the application or on file with the Department.

f) A renewal application that does not comply with subsections (e)(2) through (6) of this Section shall be considered insufficient and shall be returned to the applicant, and the current certification shall lapse on the December 31 expiration date.

g) The Department will process a renewal application that is sufficient but not timely (filed with the Department postmark after December 1) shall be processed by the Department, but the current certification shall lapse on the December 31 expiration date. The application shall be accompanied by the required late filing charge prescribed in Section 9(a) of the Act. If such application is postmarked after December 31 of the year of expiration, the renewal fee shall include the late filing charge required by Section 9 of the Act and Section 830.210 of this Part in order to be considered a sufficient application.

h) The Department's acceptance of an application as sufficient for processing shall not be construed as a determination of the merits of the application or the technician's qualifications for certification renewal.

(Source: Amended at 37 Ill. Reg. ______, effective ____________)

Section 830.210 Late Filing Charge

a) A late filing charge (see Section 9(a) of the Act) shall be assessed for any license, registration or certification renewal that is not properly filed with the Department postmarked no later than the December 1 due date of expiration.

b) A renewal is improperly filed when a license, registration, or technician certificate
cannot be issued because the requirements of the Act and Sections 830.180 or 830.200 of this Part have not been fulfilled.

(Source: Amended at 37 Ill. Reg. _____, effective ____________)

Section 830.220 Non-renewal of Technician Certificates

a) Structural pest control technician certificates shall be renewed up to one year after expiration by paying the renewal fee, late filing charge (as required by Section 9(a) of the Act) and furnishing evidence of attendance at a minimum of nine classroom contact hours, in increments of three hours or more, at Department-approved participation at an approved pest control training seminar. A certificate issued by the Department pursuant to this Section shall expire three years after the technician's original renewal date.

b) Certificates lapsing more than one year but less than five years after expiration shall be renewed only after the individual files an application for examination, pays all required fees (i.e., a total fee composed of the application, renewal and late filing fee) and successfully passes the certification examinations.

c) No previously certified technician shall be allowed to attain certification without meeting the appropriate requirements as detailed in subsections (a) or (b) above.

(Source: Amended at 37 Ill. Reg. _____, effective ____________)

Section 830.300 Application for Certification in Illinois as a Structural Pest Control Technician by Reciprocity

a) An individual classified as a certified structural pest control technician, or applicator, in another state and who is not an Illinois resident, may obtain Illinois certification as a structural pest control technician provided that:

1) The state in which the applicant is certified has certification requirements substantially equal to those of the State of Illinois; and

2) The individual is a resident of the state where original certification was obtained and is still actively certified in that state.

b) An Illinois reciprocal certification shall be by examination unless a formal
agreement exists between both states. In addition, an individual shall only be allowed to obtain reciprocal certification only in the areas or categories for which he/she was certified by closed book examination in the other state.

c) An applicant desiring to obtain reciprocal certification shall have the state in which he/she is certified submit a letter on agency letterhead to the Department that includes the following information:

1) Name and address of applicant;

2) Employer name and address;
