MEMORANDUM

TO: Regional EMS Advisory Committee Chairs
EMS System Medical Directors
EMS System Coordinators
EMS Advisory Council

FROM: Paula Atteberry, RN, BSN
Special Programs Coordinator
Division of EMS and Highway Safety

DATE: February, 2010

RE: Fiscal Year 2011 EMS Assistance Fund Grant Application Process

We are pleased to have the opportunity again this year to distribute funds to providers who can demonstrate the need for resources. Please review the enclosed information, as there have been some minor changes to the application this year. As in past years, due to the limited amount of grant funds available, we will not consider applications for new vehicles, vehicle re-chassis or building projects.

The participation of the Regional EMS Advisory Committees is very important to this grant program. Individual EMS regional plans dictate the process that each region will follow in managing the disbursement of application forms and providing the Division of Emergency Medical Systems (EMS) and Highway Safety with recommendations for disbursement of grant funds. Final grant awards will be determined by the Division of EMS and Highway Safety.

Every effort should be made to ensure that all interested parties receive the attached application and guidance from the regional EMS Advisory Committee. In addition, this information is posted on the Division of EMS website at <http://www.idph.state.il.us/ems/index.htm>. Applications should be returned to the Regional Advisory Committee by the date specified in your region plan.

February, 2010

Page 2

The Regional EMS Advisory Committee must submit all applications to be considered to the Division of EMS and Highway Safety by close of business June 30, 2010. Each application must contain a completed “Review Abstract” reflecting the EMS Regional Advisory Council’s recommendations and prioritizations within the Region. The Division of EMS and Highway Safety relies on this document heavily when making grant awards. Please note that you may not submit multiple applications with the same priority ranking.

If you have questions regarding the grant application process, please contact me at 217-785-2083 or Paula.Atteberry@illinois.gov.
