

Laboratories Offering Influenza PCR (Polymerase Chain Reaction) Testing

Updated 09/09/09

Points of contact to arrange a billing account, specimen shipping, etc., for influenza PCR testing are listed below. Testing protocols vary by laboratory (e.g., not every lab performs sub-typing).

Laboratories are listed in alphabetical order; IDPH does not endorse any particular laboratory. This list may be incomplete; it is based on available information as of the above date and will be updated periodically. To add the name of a laboratory to this list, please contact Bernard Johnson at Bernard.Johnson@Illinois.gov or at (217) 782-6562.
