## The Public-Private Partnership Moves Forward on Privacy and Security

### HISPC - IL II Work Product Dissemination Plan

Obtaining feedback from stakeholders on the work of the work groups is critical to the success of the HISPC – IL II project. Following is the plan for disseminating these materials.

**The draft materials will be sent out on October 23, 2007** (unless significant changes are recommended by the Steering Committee)

**Comments due by COB November 7, 2007**

**Comments to be e-mailed to Kathy (Karsten) Tipton, MPS, at [kathy.karsten@illinois.gov](mailto:kathy.karsten@illinois.gov).**

1. Steering Committee and work group members will be asked to disseminate the materials to the organization they represent.
2. The materials will be sent to all members of the HISPC – IL II listserv.
3. The materials will be posted on the HISPC – IL II Web site.
4. Following are stakeholder organizations we want to ensure receive the materials:
  - AARP
  - Access Community Health Network
  - Alliance of Chicago Community Health Services
  - Blue Cross and Blue Shield of Illinois
  - Chicago Patient Safety Forum
  - Community Health Record of Illinois
  - Council on Long-term Care
  - Equip for Equality
  - HIMSS
  - Illinois Academy of Family Physicians
  - Illinois Critical Access Hospital Network
  - Illinois Department of Healthcare and Family Services
  - Illinois Department of Human Services
  - Illinois Foundation for Quality Health Care
  - Illinois Health Care Association
  - Illinois Health Information Management Association
  - Illinois Hospital Association
  - Illinois Maternal & Child Health Coalition
  - Illinois Primary Health Care Association
  - Illinois State Medical Society
  - Life Services Network
  - Midwest Business Group on Health

- Office of the State Ombudsman
- Other Insurers
- Pharmacies
