TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

E4 stated she assessed R1, as she was alert, asking for help and complaining of pain. E4 stated that another staff member called 911 and the attending physician. E4 stated that she and CNA placed resident in bed and provided support until ambulance came. E4 stated that R1 could sit up in bed and would sit at side of bed but could not walk and had never walked. E4 stated that there was no mat at resident bedside that morning.</p> <p>On 3/29/12 at 1:55PM, E5(CNA) stated on the morning of 1/17/12 she was making her 4th round when she heard a loud boom. E5 stated she went to R1's room and saw her lying on the floor. E5 stated she called out to R1 and R1 answered, "Pick me Up" E5 stated resident had a bump on her head and was bleeding. E5 stated R1 could not walk but could sit up in bed or turn in bed if you ask her. E5 stated resident would ask for extra blankets at night and for her night hat to be placed on her head. E5 stated that R1's bed was in the low position.</p> <p>On 3/29/12 at 2:10PM, E2(DON) stated that she was notified at about 6:00AM the morning of the incident. E2 stated that she was informed by E4 that R1 had fallen out of bed, hit her head and was sent to the hospital. E2 stated she was told that there was a lot of blood on the floor and that E4 stated to her that the ambulance driver was yelling at her and she did not know why. E2 stated that she was not aware that R1's niece had requested a mat be placed at R1's bedside. E2 stated that a fall mat was placed at the bedside</p>	F 323

F 323	<p>Continued From page 2</p> <p>after this fall incident when resident returned back from hospital. E2 stated that R1 was a High Fall Risk for arising from wheelchair but not for bed.</p> <p>On 3/29/12 at 3:15PM, E6(MDS Coordinator) stated that a floor mat should have been in place at resident bedside according to residents fall care plan dated 9/13/2011 due to resident's history of falls and being observed on floor. We don't know what happened and I was not here. E6 stated we educate restorative and CNA's about these things.</p> <p>On 3/29/12 at 3:30PM, E2 stated that the MDS coordinator knows about the mat because she puts in the care plan and should tell staff to provide it.</p> <p>Review of incident report dated 1/17/12 indicates resident sustained a fall at 5:25AM, and was sent to emergency room for head trauma with bleeding from rightside of head. Report indicates that R1 is confused at times, unaware of safety issues, has poor vision and no gait balance,uses wheelchair.</p> <p>Review of Physician's Order Sheet(POS) dated 12/28/11 through 1/14/12 indicates R1 is a 72 year old female with history to include; Altered Mental status,Dementia with psychotic features, Cardiopulmonary Disease, Hypertension, Urinary Tract Infections, Pacemaker and state IV Renal Disease. According to physician's notes dated 1/18/12, R1 admitted on 1/17/12 after a fall at the nursing home, assessment results indicate abrasion to left knee, right eye/orbit swelling, no skull fractures, small amounts of fluid in left and right maxillary sinuse, sutures placed to right eye and patient confused. Review of consultant</p>	F 323
