If the requester and the Agency agree to extend the period for compliance, a failure by the Agency to comply with any previous deadlines shall not be treated as a denial of the request for the records. (Section 3(e) of FOIA)

d) When additional time is required for any of the reasons set forth in subsection (b) of this Section, the Agency shall, within 5 business days after receipt of the request, notify the person making the request of the reasons for the extension and the date by which the response will be forthcoming. Failure to respond within the time permitted for extension shall be considered a denial of the request. If the Agency fails to respond to a request within the time permitted for extension but thereafter provides the requester with copies of the requested public records, it may not impose a fee for those copies. If the Agency issues an extension and subsequently fails to respond to the request, it may not treat the request as unduly burdensome under Section 1127.402 of this Part. (Section 3(f) of FOIA)

Section 1127.402 Requests for Records that the Agency Considers Unduly Burdensome

a) The Agency shall fulfill requests calling for all records falling within a category unless compliance with the request would unduly burden the Agency, there is no way to narrow the request, and the burden on the Agency outweighs the public interest in the information. Before invoking this exemption, the Agency shall extend to the requester an opportunity to confer with it in an attempt to reduce the request to manageable proportions. (Section 3(g) of FOIA) The amended request shall be in writing.
b) If the Agency determines that a request is unduly burdensome, it shall do so in writing, specifying the reasons why it would be unduly burdensome and the extent to which compliance will so burden the operations of the Agency. Such a response shall be treated as a denial of the request for information. (Section 3(g) of FOIA)

c) Repeated requests from the same person for the same records that are unchanged or identical to records previously provided or properly denied under this Part shall be deemed unduly burdensome. (Section 3(g) of FOIA)

Section 1127.403 Requests for Records that Require Electronic Retrieval

a) A request for records that requires electronic retrieval will be treated the same as any other request for records, with the same timeline and extensions as allowed for other records.

b) The Agency will retrieve and provide electronic records only in a format and medium that is available to the Agency.

Section 1127.404 Denials of Requests for Records

a) The Agency shall deny requests for records when:

1) Compliance with the request would unduly burden the Agency, as determined pursuant to Section 1127.402 of this Part, and the requester has not reduced the request to manageable proportions;

2) The records are exempt from disclosure pursuant to Section 7 or 7.5 of FOIA or Section 1127.202 or Section 1127.203 of this Part.

b) The denial of a request for records must be in writing.

1) The notification shall include a description of the records denied; the reason for the denial, including a detailed factual basis for the application of any exemption claimed; and the names and titles or positions of each person responsible for the denial (Section 9(a) of FOIA);
DEPARTMENT OF PUBLIC HEALTH

NOTICE OF ADOPTED RULES

2) Each notice of denial shall also inform such person of the right to review by the Public Access Counselor and provide the address and phone number for the Public Access Counselor (Section 9(a) of FOIA); and

3) When a request for records is denied on the grounds that the records are exempt under Section 7 or 7.5 of FOIA, the notice of denial shall specify the exemption claimed to authorize the denial and the specific reasons for the denial, including a detailed factual basis and a citation to the supporting legal authority. (Section 9(b) of FOIA)

c) A requester may treat the Agency's failure to respond to a request for records within 5 business days after receipt of the written request as a denial for purposes of the right to review by the Public Access Counselor.

d) If the Agency has given written notice pursuant to Section 1127.401(d) of this Part, failure to respond to a written request within the time permitted for extension may be treated as a denial for purposes of the right to review by the Public Access Counselor.

e) Any person making a request for records shall be deemed to have exhausted his or her administrative remedies with respect to that request if the Agency fails to act within the time periods provided in Section 1127.401 of this Part. (Section 9(c) of FOIA)

Section 1127.405 Requests for Review of Denials – Public Access Counselor

a) A person whose request to inspect or copy a record is denied by the Agency may file a request for review with the Public Access Counselor established in the Office of the Attorney General not later than 60 days after the date of the final denial. (Section 9.5(a) of FOIA)

b) If the Agency asserts that the records are exempt under Section 1127.202(a)(4) or (a)(7) of this Part, it shall, within the time periods provided for responding to a request, provide written notice to the requester and the Public Access Counselor of its intent to deny the request in whole or in part. The notice shall include:

1) A copy of the request for access to records;

2) The proposed response from the Agency; and
DEPARTMENT OF PUBLIC HEALTH
NOTICE OF ADOPTED RULES

3) A detailed summary of the Agency's basis for asserting the exemption. (Section 9.5(b) of FOIA)

c) Upon receipt of a notice of intent to deny from the Agency, the Public Access Counselor shall determine whether further inquiry is warranted. The Public Access Counselor shall process the notification of intent to deny as detailed in Section 9.5(b) of FOIA. Times for response or compliance by the Agency under Section 1127.401 of this Part shall be tolled until the Public Access Counselor concludes his or her inquiry. (Section 9.5(b) of FOIA)

d) Within 7 working days after the Agency receives a request for review from the Public Access Counselor, the Agency shall provide copies of records requested and shall otherwise fully cooperate with the Public Access Counselor. (Section 9.5(c) of FOIA)

e) Within 7 working days after it receives a copy of a request for review and request for production of records from the Public Access Counselor, the Agency may, but is not required to, answer the allegations of the request for review. The answer may take the form of a letter, brief, or memorandum. The Public Access Counselor shall forward a copy of the answer to the person submitting the request for review, with any alleged confidential information to which the request pertains redacted from the copy. (Section 9.5(d) of FOIA)

f) The requester may, but is not required to, respond in writing to the answer within 7 working days and shall provide a copy of the response to the Agency. (Section 9.5(d) of FOIA)

g) In addition to the request for review, and the answer and response thereto, if any, a requester or the Agency may furnish affidavits or records concerning any matter germane to the review. (Section 9.5(e) of FOIA)

h) A binding opinion from the Attorney General shall be binding upon both the requester and the Agency, subject to administrative review under Section 1127.407 of this Part. (Section 9.5(f) of FOIA)

i) If the Attorney General decides to exercise his or her discretion to resolve a request for review by mediation or by a means other than issuance of a binding
opinion, the decision not to issue a binding opinion shall not be reviewable. (Section 9.5(f) of FOIA)

j) Upon receipt of a binding opinion concluding that a violation of FOIA has occurred, the Agency shall either take necessary action immediately to comply with the directive of the opinion or shall initiate administrative review under Section 1127.407 of this Part. If the opinion concludes that no violation of FOIA has occurred, the requester may initiate administrative review under Section 1127.407 of this Part. (Section 9.5(f) of FOIA)

k) If the Agency discloses records in accordance with an opinion of the Attorney General, the Agency is immune from all liabilities by reason thereof and shall not be liable for penalties under FOIA. (Section 9.5(f) of FOIA)

l) If the requester files suit under Section 1127.406 of this Part with respect to the same denial that is the subject of a pending request for review, the requester shall notify the Public Access Counselor, and the Public Access Counselor shall so notify the Agency. (Section 9.5(g) of FOIA)

m) The Attorney General may also issue advisory opinions to the Agency regarding compliance with FOIA. A review may be initiated upon receipt of a written request from the Director of the Agency or the Agency’s General Counsel, which shall contain sufficient accurate facts from which a determination can be made. The Public Access Counselor may request additional information from the Agency in order to assist in the review. If the Agency relies in good faith on an advisory opinion of the Attorney General in responding to a request, the Agency is not liable for penalties under FOIA, so long as the facts upon which the opinion is based have been fully and fairly disclosed to the Public Access Counselor. (Section 9.5(h) of FOIA)

Section 1127.406 Circuit Court Review

A requester also has the right to file suit for injunctive or declaratory relief in the Circuit Court for Sangamon County or for the county in which the requester resides, in accordance with the procedures set forth in Section 11 of FOIA.

Section 1127.407 Administrative Review

(Section 6(a) of FOIA)

c) A requester may inspect records at the Agency's headquarters or at another location agreed to by both the Agency and the requester by appointment only, scheduled subject to space availability. If the requester must cancel the viewing appointment, the requester shall so inform the Agency as soon as possible before the appointment.

d) In order to maintain routine Agency operations, the requester may be asked to leave the inspection area for a specified period of time.

e) The requester will have access only to the designated inspection area.

b) In calculating its actual cost for reproducing records or for the use of the equipment of the Agency to reproduce records, the Agency shall not include the costs of any search for and review of the records or other personnel costs associated with reproducing the records. (Section 6(b) of FOIA)

c) In order to expedite the copying of records that the Agency cannot copy, due to the volume of the request or the operational needs of the Agency, in the timelines established in Section 1127.401 of this Part, the requester may provide, at the requester's expense, the copy machine, all necessary materials, and the labor to copy the public records at the Agency headquarters in Section 1127.501, or at another location agreed to by both the Agency and the requester.

d) Copies of records will be provided to the requester only upon payment of any fees due. If payment is not received within 60 days after the Agency has notified the requester of the fees, the Agency shall consider the request withdrawn.

e) The Agency may charge the requester for the actual cost of purchasing the recording medium, whether disc, diskette, tape, or other medium, but the Agency may not charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing the records. Section 1127.503 Reduction and Waiver of Fees

a) Fees may be reduced or waived by the Agency if the requester states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. In making this determination, the Agency shall consider the following:

1) Whether the principal purpose of the request is to disseminate information regarding the health, safety, welfare or legal rights of the general public; and

2) Whether the principal purpose of the request is personal or commercial benefit. For purposes of this subsection (a) of this Section, "commercial benefit" shall not apply to requests made by news media when the principal purpose of the request is to access and disseminate information regarding the health, safety, welfare or legal rights of the general public.
