DEPARTMENT OF PUBLIC HEALTH

NOTICE OF ADOPTED AMENDMENTS

- 14) Are there any amendments pending on this Part? No
- 15) Summary and Purpose of the Rulemaking: Under Part 956, the Department may require any facility licensed by the Department to implement an influenza vaccination program for its employees. When Part 956 was adopted in May, 2010, long-term care facilities licensed under the ID/DD Community Care Act [210 ILCS 47] were omitted from the health care settings covered by Part 956 and listed in Section 956.10 (Definitions), and the ID/DD Community Care Act was not listed in Section 956.20 (Referenced Materials).

This rulemaking fixes that omission, and also adds to those two Sections, respectively, facilities licensed under the Specialized Mental Health Rehabilitation Act [210 ILCS 48], and the Act itself, which was enacted by the General Assembly in 2011.
