NOTICE OF PROPOSED AMENDMENTS

Industry representatives shall be assisted by an Illinois licensed plumber during the presentation of a course of instruction.

- d) The Department may evaluate an approved program to determine the ongoing effectiveness of the training program. An evaluation will be conducted:
  - 1) As the result of a complaint to the Department;
  - 2) Upon the failure of 25% of students from the program who complete the plumbing license examination; or
  - 3) As a result of changes in the curriculum.
- e) The program's curriculum will be evaluated for compliance with the list of topics for courses of instruction in plumbing in Section 750.540.
- f) The program's facilities will be evaluated for its suitability for training in the practice of plumbing in all its forms and the type of tools, condition of tools, safety devices, and ventilation for the discharge of heat, smoke, and fumes.
- g) The Department will notify the training program sponsor of all deficiencies determined in the evaluation.
  - 1) The program sponsor shall contact the Department within 15 days after receiving the notice of deficiencies to arrange a plan of correction for the deficiencies. The program sponsor shall have not less than 30 and not more than 90 days from the date of the notice of deficiencies to remedy the deficiencies. The specific time period for correction will be stated in the notice of deficiencies.
  - 2) If the deficiencies are not remedied within the time frame specified in subsection (g)(1)(a), the Department will withdraw its approval in writing. Upon withdrawal of approval, the training program sponsor shall have the right to request a hearing. (See Section 750.120.)
