- 4) Statutory Authority: Implementing and authorized by the Compassionate Use of Medical Cannabis Pilot Program Act [410 ILCS 130].
- 5) A Complete Description of the Subjects and Issues Involved: This rulemaking implements P.A. 99-0519, effective June 30, 2016, to set forth the requirements for qualifying patients to participate in the Department's Compassionate Use of Medical Cannabis Patient Registry Program. The amendments provide for additional debilitating conditions; add an eligibility category for persons diagnosed with a terminal illness; make changes in the physician written certification; change fees to correspond with the lengthened time frame for a valid registry identification card; add requirements for increasing the adequate supply of medical cannabis and make other changes.

The economic effect of this proposed rulemaking is unknown. Therefore, the Department requests any information that would assist in calculating this effect.

The Department anticipates adoption of this rulemaking approximately six to nine months after publication of the Notice in the *Illinois Register*.
