

SHIP Video Challenge

Deadline Extended to May 6, 2014

Use video to help tell a compelling story about health in your community and your local organization could receive a \$1,500 grant from the Illinois Department of Public Health

As part of its efforts to support organizations working to align their work with the Illinois State Health Improvement Plan (SHIP), the Illinois Department of Public Health will award up to mini grants to organizations around the state. Unique to this opportunity is a video component of the grant application. IDPH is asking applicants to submit a short, compelling video about one of the topics below. IDPH will use the best of these videos to help spread the word about SHIP implementation, and up to 10 organizations will receive a \$1,500 grant to continue their work.

The Challenges

Challenge #1 *What's Your SHIP Story?*

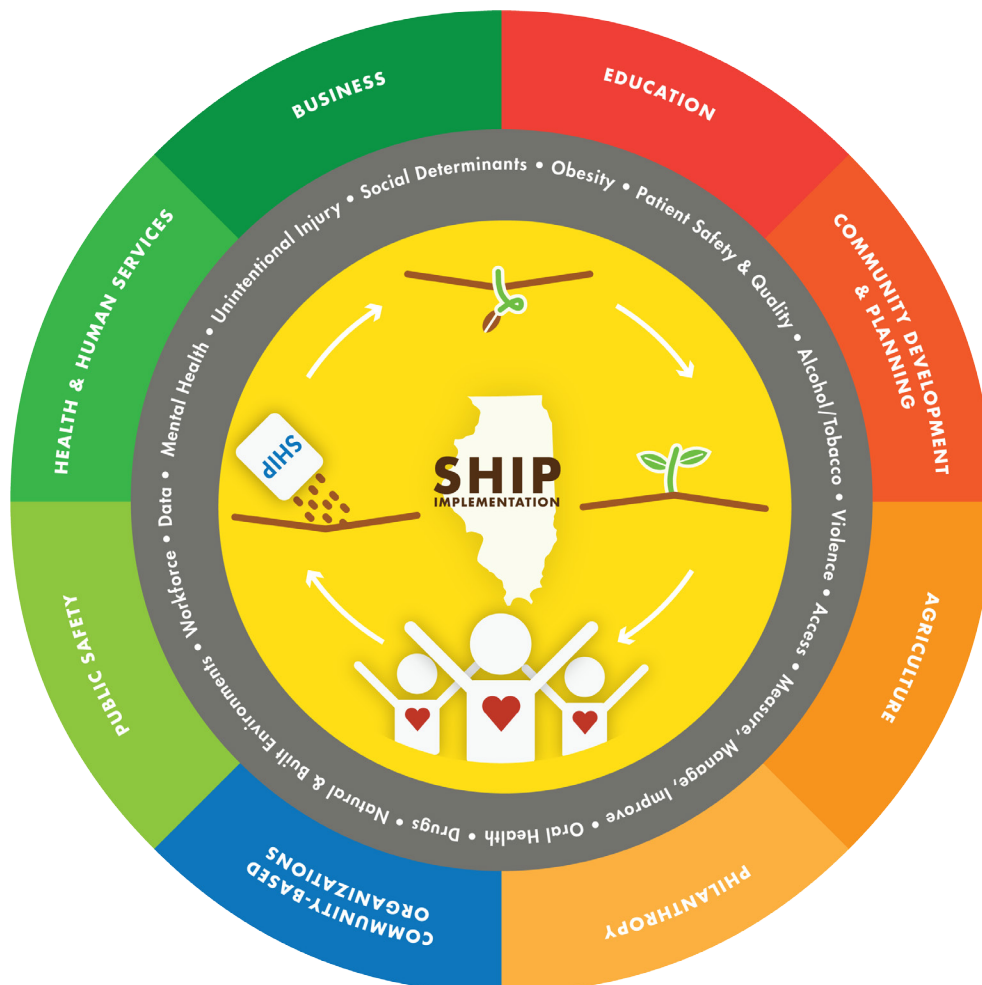

Tell a story about how collaboration among organizations resulted in a success around a SHIP priority area.

Challenge #2 *We're a PH Stakeholder!*

Tell a story that shows how your organization is a public health stakeholder, even if public health is not explicitly part of its mission.

Challenge #3 *What's Your SHIP Priority?*

Tell a story about the potential you see for organizations to work together to improve a SHIP priority area in your community.

Learn More: Visit healthycommunities.illinois.gov for more information about how to apply. All Submissions Must Be Received By **May 6, 2014.**
